Product highlights

Audio Adapters Included
Audio adapter included for versatile application of product.

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Fiber Optics
Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.

Flexible PVC Jacket
Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Metal shell
The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.

Plug and play
Plug and play offers easy installation of components without time-consuming installations.

Rubber strain relief
Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.
